LETTER

October 16, 2006

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

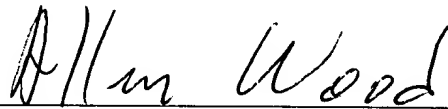

The Office Action of October 4, 2006 has been received, and it is anticipated that a response will be filed in due course.

The Patent and Trademark Office mailed the Office Action to Taft, Stettinius & Hollister LLP, and they were kind enough to forward it to us (Rabin & Berdo, P.C.). The power of attorney that was included in the Declaration accompanying the above-identified application appointed attorneys of Rabin & Berdo, and a paper entitled of "Change of correspondence address" was filed on December 29, 2000 when the firm of Rabin & Berdo moved to its current address. Most communications from the Patent and Trademark Office regarding this application have properly been sent to Rabin & Berdo but, mysteriously, a communication dated May 2, 2006 was mailed to Taft, Stettinius &

Hollister LLP. The erroneous mailing address was noted in a paper entitled "Response" that was filed on May 31, 2006. As was noted above, the Office Action of October 4, 2006 was also mis-addressed.

It is respectfully requested that the Patent and Trademark Office records for this application be corrected to show the proper mailing address.

Respectfully submitted,

A handwritten signature in cursive script that reads "Allen Wood". The signature is written in dark ink and is positioned above a horizontal line.
